

**STATEMENT OF SUBSTANCE OF INTERVIEW**

A telephonic interview was conducted between Examiner Ted M. Wang and the Applicant's undersigned representative on November 13, 2006. The Applicant proposed amendments to the claims. The Examiner indicated that the Applicant's proposed amendments to the claims would likely overcome the current rejection. However, the Examiner indicated that further search would be required to determine the allowability of the claims. Therefore, the Examiner requested that the Applicant file a response with the Applicant's proposed amendments to the claims. Consequently, Applicant submits this response.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.
